PRESS RELEASE

December 21, 2020

Sheriff Jeff Davis is proud to announce the Sarp County Sheriff's Office has applied for accreditation through the Commission on Accreditation for Law Enforcement Agencies (CALEA). The purpose of accreditation is to improve public service by maintaining and following comprehensive law enforcement standards set by seasoned law enforcement personnel, researchers and accreditation experts. These standards include internal and external reviews of policies, procedures, ethics, recruitment, hiring, training and discipline. There is also an emphasis on best practices regarding Use-of-Force training and Internal Affairs investigations.

Several tragic incidents this year have eroded public trust and have increased suspicions about law enforcement. Consequently, it is imperative for law enforcement organizations to be more transparent and to build greater public trust. Sheriff Davis genuinely believes this may be achieved by having outside experts review the operations of the Sheriff's Office to ensure we are held to the highest level of accountability, especially since our personnel are entrusted to honorably serve the public every day and to use professional standards to ensure community expectations are met.

The accreditation process will take approximately three years to complete. After the initial accreditation is awarded, CALEA will conduct an audit and review process every four years. If the standards are still met, CALEA will grant reaccreditation.

If you have any questions, please contact Sheriff Jeff Davis at 402.593.2290 or Lt. Dan Golda at 402.593.2308.
