

Water/Sewer Rate Changes for 2021

It is that time of year when the City sets everyone's sewer and water rates for the next year. The City averages each user's water use from November through February. The sewer bill is based on this usage and is therefore set for the next year. This will reflect on the May 15th billing.

April 2020

<u>Sewer Rates</u>	<u>Water Rates</u>
<u>Inside City</u>	<u>Inside City</u>
Customer Charge \$8.00	Customer Charge \$ 13.95
