PROJECT UPDATE

The City's Contractor, Midwest DCM, is scheduled to start on the intersection improvements to US Highway 6 and Lincoln Road. The improvements consists of adding two right-turn lanes and lengthening the center turn lanes on US Highway 6, adding a third lane to the west approach of Lincoln Road and removing the temporary wood traffic signal and installing the permanent traffic signal. The project is anticipated to be complete by the end of the year, weather permitting.

The project will require Lincoln Road to be closed from September 7th to October 1st closures along with a series of lane closures on the Highway during the course of construction.

**Lincoln Road – 206th Street to US-6/N-31
 Closes September 7th at 8:30 a.m.**

PLAN AHEAD: 10 DAY SCHEDULE

- Install Traffic Control and detour
- Pavement Removals on Lincoln Road and southbound US-6.

We appreciate your patience during construction of the project.
